

Inspire employees with the Starbucks® Interactive Cup brewer.

Excite your workplace with a rewarding and motivating coffee experience from the Starbucks Interactive Cup® brewer. Enjoy the taste of premium Starbucks® coffee and artful Tazo® teas at the push of a button. Every cup of Starbucks® arabica coffee is freshly ground and brewed. The aroma, flavour and quality are more than a perk. They're a message to your staff, customers and guests that they're worth it.

Experience the Starbucks Interactive Cup® brewer

- From whole bean to fresh-brewed cup in less than a minute → No need for your staff to leave the office to get the premium Starbucks® coffee they want
- Brew by the cup or by the carafe → Eliminate waste by brewing exactly what you need
- Plumbed and filtered water line → Enjoy continuous service without refilling a water tank
- Large capacity waste bin → Saves time; no service disruptions

Find a roast for everyone in the office

The We Proudly Serve Starbucks® coffee program offers a range of flavours under the roast spectrum. Coffees like Blonde Veranda Blend™, Medium Pike Place® Roast and Dark Caffè Verona® make it easy for everyone in the office to find a coffee they love.

COMMITTED TO GLOBAL RESPONSIBILITY

We're committed to improving our global and local community by investing in ethical sourcing and environmental stewardship.

Starbucks has already committed \$14.7 million to creating a better future for our farmers through farmer loan funds. And in 2011, we implemented front-of-store recycling in more than 1,000 stores in the US and Canada. We believe in inspiring global responsibility through our coffee, our actions and our commitment to the environment.
