# Get the Goodness of Bevi

## An amenity everyone loves

Water that delivers personalized flavor, well-being, and fun times in every pour.

## Unbottle the future

Reduce your carbon footprint—every Bevi machine can save 50,000+ bottles and cans per year.

## Cut your costs

Bevi typically costs less than half the cost of canned and bottled water.

## Boost wellness

Quality ingredients that keep you hydrated without compromise.

## Our Machines

**The Standup 2.0** is the perfect addition to your fully stocked kitchen. Occupying less than 2.5 square feet of floor-space, The Standup 2.0 allows you to set temperature, mix flavors, select carbonation levels, and add enhancements to create your favorite water yet. We recommend a combination of 5 flavors and 3 enhancements for optimal beverage creation.

**The Countertop** fits nicely into any smaller designed space. Virtually all of the plumbing and hardware are integrated into your base cabinets, so all you see is a sleek, compact dispenser on the counter. Choose between still and sparkling filtered water and up to 4 different flavors.

# How it Works

## 1 Choose your water

Still

Sparkling

Light Sparkling

Select still, sparkling or light-sparkling. The water passes through top-grade activated carbon filters. With pores 1/2000th of a millimeter, our filters are designed to remove chlorine, organic contaminants, pesticides, and microplastics.

## 2 Choose your temperature

Cold

Ambient

Hot

With The Standup 2.0, you have the option to select water temperature including cold, ambient, or hot. The Countertop machine comes with cold water only, chilled to about 38 degrees.

## 3 Choose your flavor and enhancements

Electrolytes

Vitamin Boost

Caffeine

Key Lime

Grapefruit

Lemon

Coconut

Strawberry Lemongrass

Watermelon

Black Cherry

Blackberry Lime

Cucumber

Lime Mint

Peach Mango

Raspberry

Pomegranate Blueberry

Our enhancements and natural zero and low-calorie flavors are made with quality ingredients. Our flavors are also vegan, kosher certified, and free from sodium and gluten. With The Standup 2.0, mix up to 3 different flavors at once and add up to 2 enhancements into any beverage to create your favorite combinations.

## 4 Enjoy!

# The Standup 2.0

## Touchscreen

Our 15.5" touchscreen enables an intuitive and easy way to select, build, and customize your drink. Look out for fun touchscreen surprises and our energy saver mode at night.

## Refill station

All bottles within 12" height fit easily into the dispenser area. With our single nozzle design and colorful lighting, filling up is clean and easy.

## Touchless dispensing

Control your water dispenser from your phone—no app or configuration required. It's like magic.

## Compact footprint

More features in a smaller machine. With our slimmer 16" width design, it can fit into any kitchen.

## Easy install

All you need is a standard 3 prong US 115v electrical outlet and 1/4" outer diameter water line.

# The Countertop

## Touchscreen

Our 10" touchscreen enables an intuitive and easy way to select and customize your drink.

## Touchless dispensing

Control your water dispenser from your phone—no app or configuration required. It's like magic.

## Refill station

All bottles within 10" height fit easily into the dispenser area. With our single nozzle design, filling up is clean and easy.

## We recommend at least two cabinets

- Cabinet 1: 28" tall, 16" wide, and 24" deep
- Cabinet 2: 28" tall, 18" wide, and 24" deep

## Hole in counter

A 4" diameter hole must be drilled through the top of the counter to allow routing of beverage tubing lines.

## Water/power supply [within cabinet space]

- Standard 3-prong US 120V electrical outlet, draws less than 9 amps.
- 3/8" outer diameter water line.
- Minimum of 50 psi.
