

## F11 Introduction

The F11 from DR. COFFEE is the ideal coffee machine for small and medium sized places. This counter-top coffee machine specializes in cafe quality drinks that deliver consistently amazing drinks every time. Impress your guest, reward your staff and enjoy!

## F11 Key Features

- The pioneering brewing system can meet your need for both non-pressurized regular coffee and pressurized espresso.
- Two grinders with ceramic flat-type blades accurately grind the coffee beans into unified-size powder, bringing out the unique flavor of the coffee.
- The 7" touch panel is easy to use, direct and efficient, by which customized coffee is just at your fingertips.
- The combination of enlarged bean hopper, water tank and grounds container can easily cope with peak hour demand.
- Different ways of water supply and self-clean mechanism can deal with any occasions.

## F11 Options

- 2.5L fridge/cup warmer
- Loaned Free to offices purchasing \$360 monthly.  
Rental of \$299.95 / month if no purchases.

## F11 Capacity

Hourly output based on DIN18873-2
