Business Coffee Solutions

Where simplicity meets versatility

Brews hot coffee or tea over ice with the 6 oz. **STRONG** setting for a bolder cup that can hold up to ice melt.*

5 cup sizes - for 4, 6, 8, 10, and 12 oz. size options.

Plumbed-in model.
Continuous brewing functionality.

Freshly brewed hot or cold beverages in < 1 minute ensures quick brewing during busy periods.

Touch screen ease. Includes serviceable modules - helps extend coffee maker life.

The **STRONG** button increases the brewing time; delivering a more intense flavour for the hot coffees.

* 12 oz. finished beverage
