WHAT THIS CONFIGURATION OFFERS

- One bean + two powders**
 Combine fresh coffee with chocolate and milk-style powders for broader drink choice.
- Expanded beverage menu**
 Supports espresso, filter coffee and indulgent powder-based recipes from one footprint.
- Automated hygiene**
 Clean-in-place milk cleaning, one-touch self-cleaning and sealed powder storage.
- Simple daily operation**
 10.1-inch colour touchscreen, adjustable spout and 45-cake grounds capacity.

BEST SUITED FOR

High-variety self-serve programs where hot chocolate and specialty beverages are as important as coffee. Expand the menu with chocolate and vanilla powders for hot and iced beverages.
